**IS THERE EVER
 ENOUGH PIZZA?**

We say quite clearly: no! Neapolitan pizza was our starting point, followed by the Roman version. Now we've come up with another idea. Because when it comes to pizza, it's not always about size: our in-house Eggenberg "Piccolini" prove that. But that's not all: a brand new pizza variation has also made it onto the menu. Stay tuned!

WE ARE REDEFINING THE STARTER

Because let's be honest—starters have long since ceased to play second fiddle. Whether it's a hearty soup to start or a juicy beef tartare. Whether it's a treat to enjoy on your own or something substantial to share.

They shine on the plate as if they alone were the reason you're here today. Take our own Eggenberg mini pizzas, for example: not only are they perfect for playing tic-tac-toe, but the three varieties (margherita, buffalo mozzarella, and salami) are sure to make any pizza lover's heart beat faster.

It's not always about size! Also brand new: our sharing plate. Sharing a starter? Yes, please! But only if there's really enough left for everyone. That's why we've invited our most popular starters to share your plates. Creamy burrata, spicy tempura shrimp, beef tartare, and Piccolini.

No one can say "just a starter today" anymore.

HOT & NEW
JETZT NUR
IM EGGENBERG

A Chicago-style deep dish pizza is a thick, pan-baked pizza with high edges, lots of cheese, and generous toppings.

In short: more pizza per bite, more enjoyment per minute, and definitely not for people who just wanted "a little something."

Or as our chef Lui says: lots of dough, lots of cheese—it's really awesome. You can't help but agree with him, because if you like it extra cheesy, this is the place for you.

YOU NEED A TIP? TAKE A DIP!

Got some pizza crust left over after eating pizza? Get yourself some dip and order an extra cheese sauce. Suddenly, those annoying leftovers become a new hit and the pizza crust becomes the star of the show. You can find all our dips on page 10.

FULL FLAVOR
WITHOUT WHEAT.

NO GLUTEN? NO PROBLEM.

Margherita, Salami, Diavola, Cotta, and Tuna now shine without wheat. For a long time, you have been asking us whether we offer gluten-free pizza. We tinkered and experimented and worked hard for you. Because one thing was clear to us: we don't want to compromise on quality and taste.

Now the time has come—our low-gluten pizza is ready for you. Important note for transparency reasons: the pizza dough itself does not contain gluten, but we cannot 100% rule out cross-contamination in our kitchen.

HOT, HOTTER, TOM'S HOT STUFF

The Koralmbahn railway is yesterday's news; we too are building bridges to Carinthia. But things are definitely hotter here than on public transport. The beloved hot sauces from Tom's Hot Stuff are now available for free at our store—just help yourself and spice up your food however you like. Eaters are responsible for their sauces!

If it gets too spicy, you have to finish it.

PS: If you're tempted to grab a bottle right now (we know they're that good!), you can easily visit tomshotstuff.at and shop. You'll be supporting a cool guy with an even cooler (or hotter?) product. Chili paradise is within reach!

TOM'S HOT SAUCE – ORIGINAL

Goes well with everything. Whether pizza, burgers, bowls, or other dishes. If you like it a little spicier, this is the sauce for you. Spiciness level: 8/12

TOM'S HOT SAUCE – SUPERBLOOM

Fruity freshness, hot spiciness. Perfect for something light, veggie, or chicken. :) Spiciness level: 6/12

TOM'S HOT SAUCE – AFTERGLOW

The hottest thing Eggenberg has to offer. Includes Carolina Reaper chillies! Heat level: 10/12

TOM'S HOT SAUCE – BONFIRE

The special sauce with a spicy chocolate flavor. Definitely try it with savory dishes. Spiciness level: 7/12

THE PORCELAIN GALLERY

Not many can claim this, but we say it with pride: we have the most outrageous toilet in Graz. Probably even beyond the city limits. Watching reels at the Heisl is a thing of the past; here, you can marvel at real art.

We now have a few more selfie spots too—rumor has it that Karl Lagerfeld in the ladies' toilet has already found his way into many a Tinder

profile. :) We're happy whether it's on a dating app or an Instagram story.

We owe it all to none other than Wenzo – the artist who has shaped Eggenberg like no other. You can now admire his art on our pizza oven, our walls, our toilet, our beer tanks, and, most recently, our pizza plates.

A big thank you goes out for such a great and long-standing collaboration.

EGGENBERG PIZZA Lotterie

Jede Pizza ein Los

März 20 & 26 April

Every pizza is a lottery ticket—are you ready for the ultimate gourmet lottery?

Anyone who eats pizza is already lucky enough, but we want to add an extra helping this spring. Inspired by a certain Monopoly promotion that we remember fondly, we are bringing luck and games to Eggenberg. Whether you order a Margherita, Diavola, or Tuna, every pizza gets you in the pot. The rules of the game are very simple:

Order a pizza, enjoy it, and check your ticket (and possible winnings).

From instant wins such as coffee, spritzers, and more to great grand prizes (small spoiler: for example, a trip to Italy), everything is included. As life would have it, there are also some blanks – then you just have to order the next pizza. Losing can also be fun!

At the beginning of May, it will be time for the big draw to select the main winners. Don't miss it! For updates and everything related to the Pizza Lottery, follow us on Instagram @das_eggenberg. Rumor has it that it brings good luck. ;)

Have you discovered it yet? Once you've finished your pizza, you'll be greeted by a new work of art. It's no longer just about the tasty toppings on each pizza – Ibiza (or I-Pizza?) DJ style is now all the rage. Who makes it possible? @wenz0_art, of course.

EVERYBODY'S WELCOME

From brunch to pizza, from first dates to 10th anniversaries, from business coffee to birthday parties. For every situation in life, with every companion, Eggenberg is your place to arrive, linger, and

write stories together. From the moment you walk in to the moment you finish your meal, one thing is particularly important to us: that you feel comfortable and welcome. We have our quirks too, and we don't do everything perfectly, but that's what we strive for every day. Whether it's origin, skin color, sexuality, etc. etc. - our differences don't divide us. They make us special. That's why we want to say a big THANK YOU to our wonderful guests who celebrate this inclusion and AMORE as much as we do.
