TWO BOWLS GO ON A DATE

The Chicken Bowl was positively crisp with excitement when the Beef Bowl arrived for their date. Amid fragrant rice, crunchy vegetables and a deep gaze into the sauce, sparks flew straight away.

"You bring spice to my life," whispered the Chicken Bowl. The Beef Bowl moved closer: "And you make my heart rice." They shared a few sesame seeds, giggled about their spicy sides and knew by the last bite:

This was more than hunger. It was love at first bowl.

A NEW LOOK FOR AMORE...

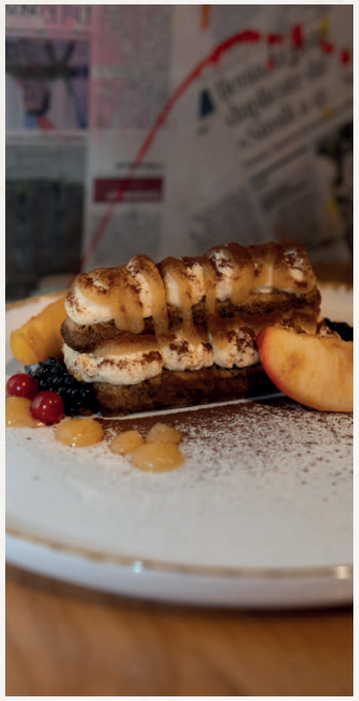

Made for real life: practical and seriously good-looking. AMORE LOUI's new packaging is transparent, showing off the Neapolitan crust – the heart of every AMORE. It also has a handle, so you can carry it in one hand without a shopping basket. And because it takes up less space than a box, there's now room for even more pizza in your fridge!

The packaging is new; everything inside stays the same. The dough matures for 72 hours, and each pizza is handmade in Kalsdorf near Graz and delivered chilled, never frozen. Ready in 3–5 minutes in a preheated oven, it keeps in the fridge for at least 14 days. All six Signature varieties and the seasonal Speciale are also available online gluten-free, suitable for people with coeliac disease, at no extra charge.

Pick up your AMORE LOUI at Eggenberg from the fridge next to the kitchen.

SHARING DESSERT?
BETTER ORDER TWO.

A KISS FOR THE NUT

What happens when three locals from Graz – Philipp, Marco & Virginia – show their own walnuts a little love? A rather fine tipple! From their own walnut tree in Eggenberg straight to your shot glass: refined with cocoa nibs, hazelnuts, vanilla and delicate spices, this handmade walnut liqueur with a hint of nougat is a little liquid dessert. Especially tempting in winter, but a treat all year round.

Velvety, nutty and gently sweetened with their own Styrian honey, yet

a true walnut liqueur with character.

The perfect NUSSKuss to finish – and perhaps another straight after... From Eggenberg, for Das Eggenberg. Made with love. Made for your shot glass.

Also available by the bottle to take home or give as a gift!

... A NEW BOX FOR EGGENBERG

Have the old AMORE LOUI boxes had their day? Not quite: they're getting a new job.

Just because packaging is being replaced doesn't mean it belongs in the bin. Our existing boxes are still in perfect condition and far too good to throw away. So we've come up with a plan: we're giving them a second life, right here at Eggenberg.

With a new sticker, the former AMORE LOUI packaging becomes our Eggenberg pizza boxes. After all, it stays in the family! This way, we make good use of packaging that's already been produced and avoid unnecessary waste. Sustainability doesn't have to be complicated. So if your next pizza arrives in an AMORE LOUI box, now you know why.

EVERYONE IS WELCOME

From brunch to pizza, from a first date to your tenth anniversary, from a business coffee to a birthday party. Whatever life brings and whoever you're with, Eggenberg is your place to arrive, stay a while and make memories together.

From the moment you walk in to your last bite, one thing matters most to us: that you feel comfortable and welcome. We have our quirks too, and we don't get everything right, but that's what we strive for every day. Our backgrounds, skin colours, sexualities and all our other differences don't divide us. They make us special. So a huge THANK YOU to our wonderful guests, who celebrate inclusion and AMORE just as much as we do.
