**ENJOYMENT
 MEETS HEALTH**

Who says you have to give something up if you want to eat a healthy, balanced diet? We're debunking the myth that eating out has to be a "cheat meal." No sacrifices, no restrictions, and no finger-pointing.

Just balanced meals that taste great and are good for both body and mind.

That's **EggenbergVital**

HEALTH AND BALANCE

EggenbergVital

Eating out mindfully and enjoying your meal—without a shred of guilt. That's exactly what lies behind our new dishes and the "Eggenberg Vital" line. Because it's not about deprivation, but about showing that enjoyment and a balanced diet go hand in hand—even at a restaurant. Together with Darinka Stock, we've developed an approach that's practical for everyday life and stress-free.

Her philosophy: It's not a single dish that counts, but the big picture. Whether you're active or relaxing—what matters is balance throughout the day. Because "healthy" is often not as clear-cut as it seems. Snacks or products labeled "low sugar" or "high protein" can quickly be misleading.

Those who understand what's in their food make more conscious choices—without having to deny themselves

anything. That's why we focus on balance: protein for satiety, carbohydrates for energy, fats for vital functions—combined and varied. Variety plays a central role here. So does mindful eating: a satisfying meal is better than constant snacking in between.

We've incorporated this philosophy into our kitchen. Our new dishes are energizing, balanced, and simply delicious. For those who want more details, we've included information on macros and calories.

Important: Even without the "EggenbergVital" label, a dish can of course be part of a balanced diet. Eggenberg Balance means: a mindful approach to everyday life—and pure enjoyment when you go out to eat.

MAY WE INTRODUCE

Darinka Stock is 31 years old, passionate about sports [especially hiking and skiing], and works full-time as a nutritionist for SK Sturm Graz. Because her brother has celiac disease, nutrition has always been an important topic for her. Since we've been working with Sturm for years, we know Darinka and her approach to food, enjoyment, and more, and we're huge fans of her and her work. Enjoyment without sacrifice, but balanced.

HAVE YOU MET... MARDERJAGD CLUB SÖDING?

The club that does everything except hunt martens. Namely: humorously portraying tradition since 1981 and spreading enthusiasm for customs, dialect, and classic cars.

Especially on Instagram, they've been showing off quite a few Hudri and Wudris over the past few years. Their classic car meets have also achieved cult status. At the helm: Schwabler Gerdtschi, chairman of the Marten Hunting Club, world record holder in bream fishing, and an avid pocket bike rider. He visited us at Eggenberg and created the Hudri Wudri wild boar burger in the kitchen. You can find out more on Instagram @das_eggenberg and @marderjagdverein_soding.

SWEET GREETINGS.

BEAUTIFUL PLANTS!

Even though we try our best to keep the whole restaurant looking green, it's not that easy.

That's why we've entrusted the care of our plants to the experts at Blumen Friedl. Now our living wall in the winter garden really shines! Especially, of course, when our chia seed tiramisu is displayed right in front of it.

EVERYBODY'S WELCOME

From brunch to pizza, from first dates to 10th anniversaries, from business coffee to birthday parties. For every situation in life, with every companion, Eggenberg is your place to arrive, linger, and

write stories together. From the moment you walk in to the moment you finish your meal, one thing is particularly important to us: that you feel comfortable and welcome. We have our quirks too, and we don't do everything perfectly, but that's what we strive for every day. Whether it's origin, skin color, sexuality, etc. etc. - our differences don't divide us. They make us special. That's why we want to say a big THANK YOU to our wonderful guests who celebrate this inclusion and AMORE as much as we do.
