WE ARE READY FOR SPRING FEELINGS

Enough with the often too long winter - we want to sit outside again, sip Spritzers and relax! One thing is for sure: the next summer is sure to come and it will announce itself with every new ray of sunshine. Until then, we'll make ourselves comfortable next to the pizza place - because that's where spring fever is sure to kick in.

No matter what the temperature is outside. :]

BREAKING NEWS

LOCAL BREAKFAST SAVES MORNING GROUCH

Sometimes it happens that quickly.

Dramatic scenes play out every morning in the restaurant Das Eggenberg in Graz. Grumpy faces to the right and left, the mood about to tip over. Everyone is lulled into a sense of security by the morning grumpiness - but then comes the shock. After just a few sips of the morning cappuccino and one or two bites of breakfast, the tide turns. The soft boiled egg does the rest: faces become friendlier, the grumpiness subsides. Suddenly there are only friendly faces. Fatal for the species of morning grouches: after only a short time in Das Eggenberg, they are already threatened with extinction. We'll stay tuned and keep reporting until the last bit of grumpiness has subsided.

BECAUSE MORE IS MORE
WHEN IT COMES TO PIZZA.

WE STILL BELIEVE THAT PIZZA CAN SAVE THE WORLD

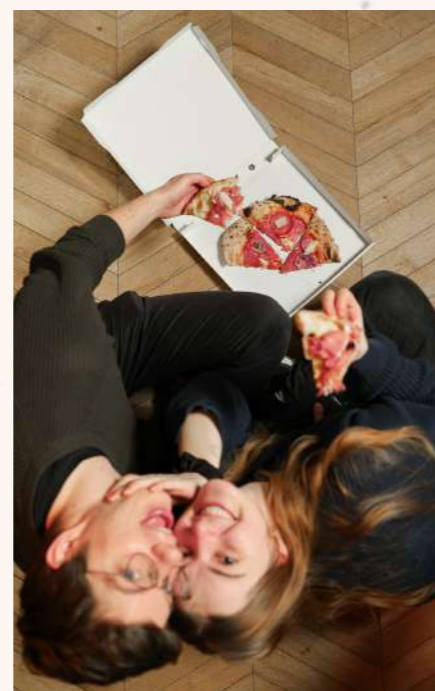

As the Antilopen Gang once sang, we believe that pizza unites us. Small, big, old, young - what comes out of our stone oven unites us all. These round slices make us forget the world's woes for a few hours, they bring us together and help us put aside our differences.

This is Amore that unites. Whether Neapolitan or Roman, fancy toppings

or the classic margherita. Melted cheese on a fruity tomato sauce - a taste excursion to Italy, no matter where you are.

It's a place where people come together and you can leave your grumpiness at the door. That doesn't mean that we bury our heads in the sand with the motto: It's none of our business, there's nothing we can do about it anyway. We want to make the world a better place and support all those who want to do the same.

Get active, despite all the bad things that are happening in the world right now. But also think of yourself and your loved ones and treat yourself to a slice - or more ;) One thing is certain: pizza is much greater than the sum of its parts. For us, it is one thing above all: AMORE!

LET'S TACO ABOUT IT!

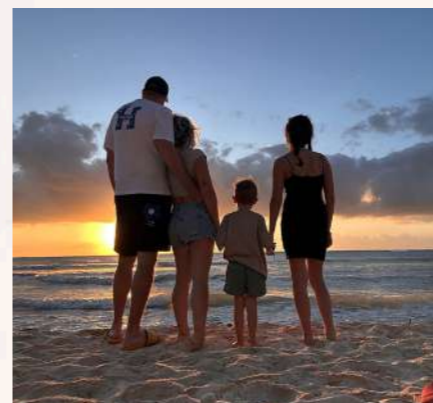

AROUND THE WORLD FOR NEW DISHES?

Where the inspiration for our changing menu comes from ✈️

From Mexico, the USA and Naples to Eggenberg - we travel far and wide to get enough inspiration for the next issue of our Eggenberg newspaper.

As it is published every three months, we always come up with something new for you, whether it's Japanese ramen or udon, Tex-Mex burritos or arancini from Sicily, as featured on past menus. As we all know, it's the mix that makes the difference, including the inspiration for tacos, which came about after a trip to Mexico over the holidays.

It's not just Neapolitan pizza that we love - the cuisine of the whole world is something special and we're looking forward to bringing more and more of it to Graz and Eggenberg.

Are there any dishes or countries that you recommend to us? We'd love to try out the cuisines of the world!

Feel free to write us your ideas on Instagram

@das_eggenberg.

IT'S ALL ABOUT THE TACO

RESEARCH DURING VACATION

The boss and his family in 📍Cancún. Did they like it there? Sí, sí! So good that it was clear that a piece of Mexico had to be taken back to Eggenberg.

ERROR 404

Picture not found

There are plenty of vacation photos of the boss, but unfortunately the same cannot be said of chef Lui. After all, someone has to work here too. Modern technology makes it possible - thanks to A.I., he can now think his way to Mexico. Or Italy, or America, and and... Lui - we love you!

TWO TRUTHS, ONE LIE

1. Pretty cheesy – we need over 5.000 kg of Fior di latte in a year for Pizza and Co.
2. Our head chef Lui is a true Italian - and you can tell from his pizza.
3. The Eggenberg has been in the same ownership for over 10 years.

GOOD NEWS - ALWAYS

The Eggenberger Speisekartenzeitung is an independent, cheese-liberal medium in print form that reports every three months on the current range of food and drink at the Graz restaurant "Das Eggenberg".

It is free of fast-food influences and bad taste and serves solely to promote pizza and burgers. The newspaper is aimed at readers who place high demands on thorough preparation, as well as attaching great importance to expert and well-founded service at the table, in the areas of burgers, fries and co.

The Eggenberger Speisekartenzeitung is committed to the principles of free choice of food based on the social beer state and the multi-cocktail system.

Cheers!
