COZY VIBES!

We're not quite ready to say goodbye to summer just yet, so at least one special pizza is still going to be truly tropical. But if you can't wait for fall to arrive, you'll be delighted by a few grapes here and there. They're in the spritzer and also make an appearance in the chocolate mousse. Yet the undisputed star of the show, as is so often the case, is the pizza: in this edition, Chicago-style. Cheesier than ever before, it's making its big comeback in our pizza oven.

DROP THAT EGG!

What's the story behind the viral "Egg Drop Sandwich"? Fluffy brioche bread, deliciously toasted in butter. Topped with a light scrambled egg mixture, jazzed up with your choice of fillings. Keep it classic with just cheese—or add avocado or bacon. The whole thing is topped with slightly spicy Sriracha mayo and fresh parsley. It's not just a feast for the eyes.

WE THROW THE PIZZA IN THE PAN

Our Chicago-style deep-dish pizza takes a little longer—but good food isn't in a hurry.

Before it goes into the oven, it first gets all cozy in its deep pan. That's where it gets its thick, fluffy crust, plenty of toppings, and, of course, cheese on top.

Then it goes into the oven until everything is nice and crispy and golden brown. So: A little patience—the pizza is just settling in for a bit before it turns its attention to you.

SHOOTING STARS

Maybe someday we'll give up the restaurant business and go all in on our careers as influencers. Admittedly: no more stress in the kitchen, less hassle—just lights, camera, action! Sounds pretty tempting... At least, that's how we picture it in our wildest dreams.

Because stepping in front of the camera has really become a lot of fun for us. To bring our everyday life at Eggenberg to you, we're really going all out on Instagram and TikTok—and we never take ourselves too seriously.

Every now and then, a pizza or two gets put to an unexpected use. Secret recipe tricks, the latest promotions, and the occasional joke at our own expense. When the Eggenberg crew steps in front of the camera, there isn't a dry eye in the house. We often can't figure out ourselves why Hollywood hasn't called yet.

EVERYBODY'S WELCOME

From brunch to pizza, from first dates to 10th anniversaries, from business coffee to birthday parties. For every situation in life, with every companion, Eggenberg is your place to arrive, linger, and

write stories together. From the moment you walk in to the moment you finish your meal, one thing is particularly important to us: that you feel comfortable and welcome. We have our quirks too, and we don't do everything perfectly, but that's what we strive for every day. Whether it's origin, skin color, sexuality, etc. etc. - our differences don't divide us. They make us special. That's why we want to say a big THANK YOU to our wonderful guests who celebrate this inclusion and AMORE as much as we do.
